Scholarship Match Program

The Scholarship Match Program is for any current or prospective students interested in or currently attending The Aviation Institute of Maintenance, Tidewater Tech, Centura College or Centura Institute. The Match program will award “dollar for dollar” match to any student that chooses to apply their scholarship(s) with one of our institutions. The maximum amount of money that will be recognized in the matching of scholarship(s) is 10% of the grand total cost of the program to include tuition, books, and fees. Multiple scholarships are welcomed.

To be eligible for this award, a student must meet the following criteria:

- Must attend one of our institutions listed above.
- Must complete the Scholarship Match Application and e-mail, fax, mail, or deliver to the institution of choice.
- Must submit all supporting documentation for each outside scholarship awarded along with the application.

A scholarship associated with this program is defined as funding based on academic merit or need paid on a student’s behalf by any organization outside of our company’s ownership. Private tuition reimbursement, title IV and funding such as state grants, WIOA, military tuition Assistance, and veteran’s benefits are not eligible for this program.

To remain eligible for this scholarship, the student must meet the following criteria while enrolled at one of our institutions:

- Maintain a GPA equal to or higher than a 2.0 while in attendance at our institution.
